Equality Information and Equality Objectives for Lingey House Primary School

Equality Act 2010

Lingey House Primary Schools' provision of the public sector equality duty

Date: June 2023

At Lingey House Primary School we are committed to equality. We aim for every pupil to fulfil their potential no matter what their background or personal circumstances.

We maintain the aim of embedding principles of fairness and equality across our entire curriculum, in assemblies and acts of collective worship, in break and lunchtimes, in pastoral support and in before and after school activities and school trips and residential.

We must under the general duty of public sector equality duty, in the exercise of our functions, have due regard to the need to:

- Eliminate discrimination, harassment, victimisation and any other conduct that is prohibited under the Act.
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- Foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

This will apply to all pupils, staff and others using the facilities. We will give relevant and proportionate consideration to the public sector equality duty.

The protected characteristics for the school's provisions are:

- Disability
- Gender Reassignment (Gender Identity)
- Pregnancy and Maternity
- Race (Ethnicity)
- Religion or Belief
- Sex
- Sexual Orientation
- Age (only applicable to staff, not pupils)
- Marriage and Civil Partnerships (only applicable to staff, not pupils)

Age and marriage and civil partnership are NOT protected characteristics for the school's provisions for pupils.

We will have **due regard** to advancing equality of opportunity including making serious consideration of the need to

- remove or minimise disadvantages suffered by persons who share a relevant protected characteristic that are connected to that characteristic;
- take steps to meet the needs of persons who share a protected characteristic that are different from the needs of persons who do not share it;
- encourage persons who share a relevant protected characteristic to participate in public life or in any activity in which participation by such persons is disproportionately low.

We will take into account the six Brown principles of ‘due regard’

- **awareness** – all staff know and understand what the law requires
- **timeliness** – implications considered before they are implemented
- **rigour** – open-minded and rigorous analysis, including parent/pupil voice
- **non-delegation** – the PSED cannot be delegated
- **continuous** – ongoing all academic year
- record-keeping – keep notes and records of decisions & meetings

We welcome the opportunity to be transparent and accountable. To this end we fulfil the specific duties of the Act by:

- publishing our equality information
- publishing our equality objectives

We aim to make the information accessible, easy to read and easy to find.

Equality Information (Last updated June 2023):

We maintain confidentiality and work to data protection principles. We publish information in a way so that no pupil can be identified.

Equality Objectives 2023 – 2027

Our equality objectives are:

1. Ensure that all children have equal access to educational visits and extra-curricular activities regardless of SEN or disability.
2. Prepare and embed a curriculum programme to support children’s understanding of gender identity and sexual orientation and different types of families.
3. Develop and embed a whole school Equality Calendar which will influence the whole school curriculum and also the assembly programme and ensure our pupils develop an understanding of Equality and also the Equality Act 2010 as they move through the school.

We will update our equality objectives every four years and publish them on our school website.

We will review progress on these objectives annually and this paperwork will be held within school as part of our school Improvement Plan.
