Rights Respecting Update

We are excited to share that we have received the bronze level award in recognition of the commitment we have made in becoming a rights respecting school.

Part of this commitment has been setting up a steering team. This is made up of staff, governors, parents and most importantly children. We are thrilled to announce our first Lingey House Rights Respecting Ambassadors are:

Year 3	Jasmine
Year 4	Isla
Year 5	Joshua
Year 6	Rhys

It's not too late to join us! If you want to help children to learn about their rights, why they are important and how to help those whose rights are not being respected this is the role for you! We are keen to have more parents on board. This role will involve a meeting once a half term from 2.45 until 3.15. Please contact the school office or speak to Mrs. Flowdy, Miss Hewitt or Miss Langman if you want to know more.

Ice Lollies

Ice Lollies & Ice Pops

From Friday 26th April there will be Ice pops and Ice lollies for sale every Friday (weather permitting) after school on the school yard.

Parking

Please can all Parents/Carers ensure that at school pickup and drop off times that they behave respectfully towards residents and other parents. A number of incidents have been reported to school of confrontations and abusive language being used around children which as a school we do not condone.

Lights, Camera, Action!

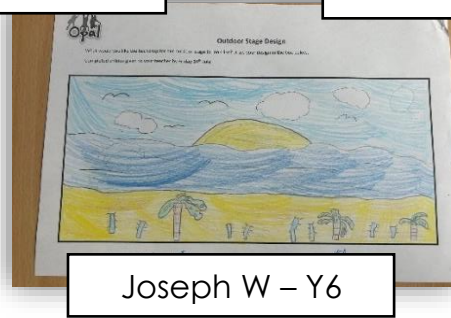

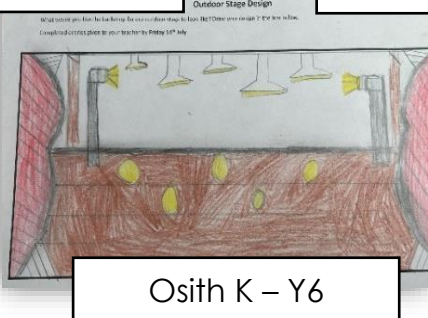

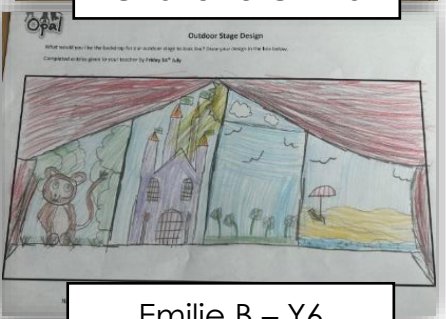

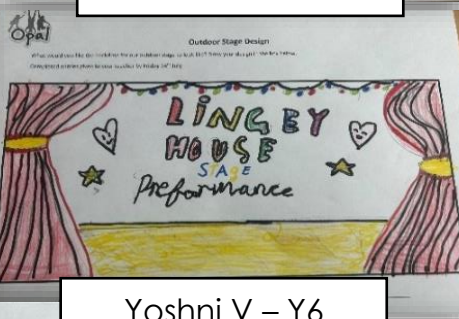

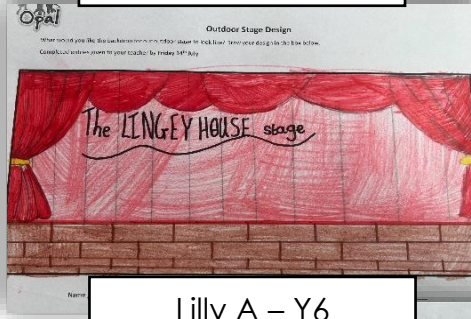

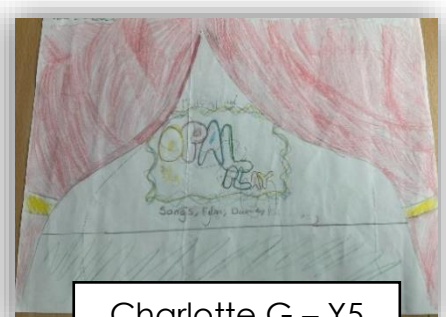

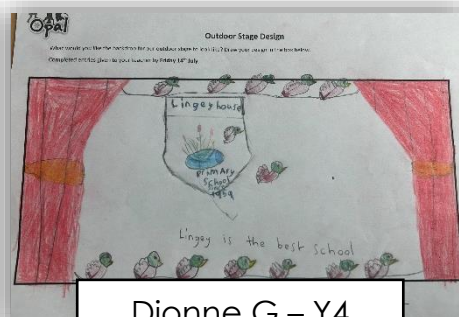

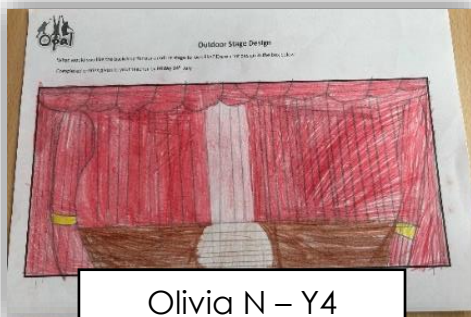

Welcome back everyone, haven't we got some exciting news for you lot to start off this term with a bang! This time last year, we set our children a very special challenge. They each had the opportunity to develop their very own stage back drop! At the time we announced that the winning design would be sent to a local artist, who would apply some finishing touches before painting the backdrop onto the lodge.

However, the designs were just too good. Even the very unique, out of the box designs, which included car logos and giant Pokémon.

The children all put in fantastic effort, that much so that we just couldn't choose one. Instead, we chose loads! Which Lee (@CustomArtwerkMurals) then looked at and put together to create our final design.

As you can see, painting is already underway and we are dying to see the final design... However, we aren't going to show you all of it! So, you can only have a small peak just for now. What we will share are the winning designs that we chose, which all went into design process! Check them out below.
