## Newsletter 5 – 6<sup>th</sup> October 2023

### Residential Trip to London - Year 6 Pupils

Thank you to all parents and carers who were able to attend the information meetings last week about our London Residential trip in May 2024. We hope everyone who wasn't able to attend received the information sent out. We have had a very positive response to the trip and have already received some deposit payments - thank you! Just a reminder that the deposit is due in two equal instalments, £25 by Friday 6<sup>th</sup> October and £25 by Friday 27<sup>th</sup> October. If you have any questions about this trip which you don't feel has been answered in the information pack, please contact school and ask to speak to Mrs Lillie or Miss McCulloch.

### Reminder - Nut-Free School

Could we politely remind parents that we have children in school who are severely allergic to nuts. If they come into contact with nuts or nut products, they will have a severe allergic reaction.

To ensure the safety of all of our children, the following items should **not** be brought into school:

- Packs of nuts
- Peanut butter or Nutella sandwiches
- Fruit and cereal bars that **contain nuts**
- Chocolate bars or sweets that **contain nuts**

Thank you for your understanding and support with this matter.

### 🌻🌻🌻 HELLO YELLOW DAY! 🌻🌻🌻

Next Tuesday, on the 10<sup>th</sup> October 2023, our school will once again be taking part in Hello Yellow Day, in partnership with Young Minds and M&S.

We can all struggle with how we're feeling, but sometimes things get tough and it can be difficult to cope. For so many young people, when this happens, they don't get the help they need, when they need it. But together, we can change this.

By wearing yellow this World Mental Health Day on 10 October, you can show young people that you're with them. Show them that they matter and deserve the support they need, when they need it, no matter what.

If you would like to donate to Young Minds our OPTIONAL Just Giving page is linked here > [www.just-giving.com/page/lingeyhouseprimaryschoolhelloyellow](http://www.just-giving.com/page/lingeyhouseprimaryschoolhelloyellow) 🧡

Join thousands across the country to stand out and show up for young people's mental health this [#HelloYellow](https://www.instagram.com/HelloYellow). Are you in?

This year is the event's eighth year and we're determined to make it our biggest and brightest year yet – hopefully going down in [#HelloYellow](https://www.instagram.com/HelloYellow) history!

This [#HelloYellow](https://www.instagram.com/HelloYellow), stand out and show up for young people's mental health and together we can create a brighter future for young people's mental health. Are you in? 🧡

In science, Year 3 have been looking at the human skeleton. The children learned the names and locations of different bones before challenged to find and name the bones on their friends' bodies.

## OPAL Updates from Mr Burrell

Doesn't that new Opal logo look fantastic?! We may now be a platinum Opal school but that doesn't mean the party stops there. We are already well under way with our plans for this academic year and things are looking juicy. BUT we aren't going to be spoiling everything so you're going to have to stay tuned, wait and see.

## Would you like to be part of our latest project?

There is one part of the plan that we can let you all in on (not like its much of a secret due to the giant yellow bus standing in front of the school). We are looking to renovate both buses so we can use them as outdoor sheltered spaces. The sooner we do it the better too, as part of Opal we want the children to have the ability to play freely no matter the weather. However, as you know not everyone is happy getting wet and those wet weather days are already upon us. We do have some areas that are already sheltered, like: the sandpit and the forest area. BUT WE WANT MORE!

We know that our children are not the only talented ones here. That talent has had to come from somewhere... So parents, **we are asking for your help!**

**If you work for any companies that may be able to help us design and renovate the two buses into wonderful and exciting social spaces for the children, we would love to hear from you! Please get in touch at the school office**

## Photo Challenge!

This week we wanted to see play time through the eyes of the children! So, what did we do? Well Mr Burrell set some of the new play ambassadors away with a couple of iPads, attached to those iPads was a small sticky note with some photos we wanted! Safe to say, we got plenty photos... Some a little crazier than expected. Perhaps one week we should release the outtakes?

However, let's see how they got on with their challenges. Some of the things we wanted photographed were: A marvellous creation, tests of strength and an awesome den.

← An awesome den, courtesy of our year 4 girls. complete with fully functioning kitchen. B&Q would be proud.

A marvellous creation from Lola, who is a wizard with the interlocking shapes. Featuring guest appearances from our year 3 boys. Can you spot Blake? →

← Tests of strength. Fireworks in the middle of the day!?! No, it's just Ashton and Cameron making holes in the floor by **SMASHING** those pool noodles off the ground.

How amazing are they?! Careful of the photos you take though children, next time we might just fancy humouring the parents with some of the funny faces you have been pulling on Mr Burrell's iPad.
