Lingey House Football

On Tuesday our amazing Girl's Football Team took part in the Felling Football League Finals. The girls had 4 tough games and they gave it their all from start to finish. They finished 4th after securing two draws. This is a great achievement and we have no doubt that you will inspire more girls to play football.

On Thursday, our fantastic Year 3 and 4 football team qualified for the finals after playing together for the first time! We faced three really tough fixtures against Bill Quay (2-0), Windy Nook (1-0) and Brandling (4-1) but some amazing performances from our Lingey Ducks helped us win all three fixtures, scoring 7 goals and conceding just 1. We wish the team good luck in the finals at Harlow Green on Thursday 25th May.

Year 3 have been investigating which materials are reflective as part of their topic on 'Light.' They made predictions, tested the materials and discussed their findings.

Telephone Calls

We need to inform you that all telephone calls made to and from school will now be recorded for monitoring and training purposes. This is because we have changed providers and they have a different policy.

SEND Coffee Afternoon

Our SEND Coffee Afternoon will continue to run on the last Friday of each month. The purpose of the Coffee Afternoon is to give parents the opportunity to chat to each other and to access a drop-in service to ask our SENDCO Miss Bell any questions you may have relating to your child's progress and the provision we offer here at Lingey House. Our next Coffee afternoons will take place on **Friday 26th May** and **Friday 30th June**.

Our meeting on **Friday 30th June** will be particularly exciting as we will have the first of hopefully many SEND specialists coming into school to work with our parents. Shona Chambers, who is a sleep practitioner for children and adults with additional needs, will be coming in to run a session supporting parents of children with additional needs with strategies which promote a good night's sleep. Shona works for Contact, an organisation which specialises in working with the families of young people with additional needs.

A little about Contact - Contact were founded in the 1970s by families of disabled children, who recognised that even if their child's conditions were different, they shared a common experience – of being a family with a disabled child. They understood how important it is to support each other. Contact feel that a lot has changed since then but some things haven't changed nearly enough. There is a desperate lack of services and support for the 620,000 parents in the UK who care for a disabled child. As a result, families face a huge range of challenges and many feel isolated and alone. Coping with extra financial costs and practical challenges can put an enormous strain on daily life, with families more likely to face emotional issues, stress and anxiety.

contact For families with disabled children

Contact's aim is to support families, bring families together and help families take action for others. Their vision is that families feel valued and are strong, confident and able to make the decisions that are right for them.

If you are interested in taking part in the coffee afternoon on Friday 30th June, please contact school and ask to be added to the list. We think this will be a particularly popular event and would like to ensure we host everyone in a large enough space!

School Meals & Online Payments

Since Monday 15th May, we have been using Arbor for all online payments including School Meals. This means we will no longer be using ParentPay. **Please ensure you have downloaded your Arbor app.**

Summer Fayre

We are very excited to announce that our school PTA will be organising a Summer Fayre this year following on from the success of last year's event. We are looking for both volunteers who are interested in helping to organise and run our fayre and small businesses who might be interested in running a stall. If you're interested in getting involved, please contact school and ask to speak to Miss Kayleigh Bell.

In addition to looking for volunteers to help with our fayre, we are now also looking for donations. If you have or know of any local businesses who might be able to donate a raffle prize for our fayre, please contact school and ask to speak to Miss Kayleigh Bell.

Nursery Update

This week it is Mental Health awareness week, because of this we have been discussing our different emotions and how things make us feel. We have also focused on doing activities that help us keep calm. The children enjoyed taking part in some Mindfulness breathing activities, Mindful colouring and following a Yoga routine. We also talked about the importance of being a kind friend and what we can do to cheer our friends up. Some of us even made friendship bracelets using dry coloured pasta!

Dentist Visit

We also had a visit from some Dentists this week so that they can maintain their smiles for life! The Dentists showed us how we should be brushing our teeth, visits to the dentist and we also talked about how we can keep our teeth healthy. The Children loved hearing the story of the "SugarBugs" and showed the dentist how the SugarBug should brush their teeth.

Thank you again for meeting with us and for being patient with timings, it was lovely to talk about all the fantastic progress the children have been making in nursery - we are so proud of them all!

Baby and Toddler Group – spread the word!

Our baby and toddler group ran by Hannah (our family support worker) and Early Years staff runs every Monday in the Lodge (9-11am).

Until we can identify the interest in our group, we will be limiting this to siblings of our pupils but will open this to the wider community if spaces are available.
