

Lingey House Primary School Health & Safety Policy

The Health and Safety at Work Act 1974 (HSW Act 1974) places duties on employers to safeguard, so far as is reasonably practicable, the health, safety and welfare of their employees and persons not employed but who may be affected by work activities, such as pupils and visitors.

This policy statement supplements the [Council's Corporate Health and Safety Policy](#) and procedures, as well as the [Children, Adults and Families Health and Safety Policy](#) and [Education Health and Safety Policy](#). (For Voluntary Aided Schools and Academies, change this section)

The aim of the school policy and statement of intent is to ensure that all reasonably practicable steps are taken to secure the health, safety and welfare of all persons using these premises and in particular:

- to provide adequate control of the health and safety risks arising out of our activities
- to consult with our employees on matters affecting their health and safety
- to provide and maintain safe plant and equipment
- to ensure safe handling and use of substances
- to provide information, instruction and supervision for employees
- to ensure all employees are competent to do their tasks, and to give them adequate training
- to prevent accidents and cases of work-related ill health
- to maintain safe and healthy working conditions
- to review and revise this policy as necessary at regular intervals.

The governing body will review this policy statement if there is any significant change or at least annually and update, modify or amend it as it considers necessary.

Approved by the Resources Finance & Staffing Committee on 8 October 2024

Health & Safety Responsibilities

The Governing Body has strategic responsibility for health and safety within all areas of the school's undertakings and ensuring that health and safety performance is monitored regularly and at least annually. In order to comply with regulatory controls, the governing body is responsible for ensuring that advice from competent advisers is available on health and safety matters.

The Head Teacher has responsibility for the day-to-day operation of health, safety and welfare policies and practices, as delegated by the governing body, within all areas of the school's undertakings. In addition, the Head Teacher will ensure that health and safety policy and procedures are part of the day-to-day running of the school. In order to comply with regulatory controls, the Head Teacher is responsible for ensuring that advice from competent advisers is sought on health and safety matters where required.

Department Heads are responsible for ensuring that safe working conditions are maintained for all pupils, employees, visitors, members of the public and, where applicable, contractors. In order to comply with regulatory controls within their departments, department heads are also responsible for ensuring that advice from competent advisers is sought on health and safety matters where required.

Employees are responsible for their own health and safety, that of their colleagues and members of the public who may be affected by their work activities.
