Y5/6 Football - Match Reports

by Hollie T (Year 6A)

Lingey House vs Colegate

Lingey House started strong with a lot of passing and after 8 minutes, we found ourselves 1 nil up. Colegate gave Lingey a good challenge, keeping them on their toes with a goal either side of half time. Lingey managed to pull it back to 2-2 and left it until the last minute to score 2 more goals to finish the match as 4-2 winners.

Goals: James x 2, Oliver x 2

Lingey House vs White Mere

Lingey started off strong with a lot of pressure and passing. After 8 minutes, they opened the scoring. It didn't take long before they scored their second and third making it 3-0 at half time. Second half battling against the wind was much tougher, with Whitemere becoming more and more confident. At the end of match the score was Lingey House 4 - White Mere 2

Goals: Morgan x 3 & James

Lingey House vs Wardley

Lingey went into our second match with a lot of pressure. It wasn't long before they got the first goal and Lingey continued to dominate with another 4 goals making it 5-1 at half time. Wardley managed a good spell of possession pulling 2 more goals back making it 5-3. Lingey didn't panic and scored a further two goals making the final score Lingey House 7 Wardley 3

Goals: Morgan x 5, Joseph & Aimee.

Say Cheese!

Year 6 parents, we need your help digging out some of your cutest (or funniest!) photos of our current Year 6 children when they were babies or growing up to use for our Leaver's Assembly!

These can be either physical photographs or emailed to our special email address: lhpsy6leaversphotos@gatedu.org

Could we have any photographs that you want included sent to us by **Friday 1st July** please!

Year 6 Dance Festival

On Wednesday 15th June, a group of our year 6 performed at Gateshead School Sports Partnership Dance Festival at the Sage in front of over 600 people. In only three sessions they came up with the routine and learnt the routine to the song 'No Drama'.

Year 6- LingeyBury Festival 2022

As a special reward for all their hard work this year and throughout their time at Lingey House, we will be hosting the **LingeyBury Festival** again this year on Friday 15th July!

The festival will be held on the school grounds at **3:30-5:30pm**.

The Year 6 children can go home after lunch time to get ready but **they must be collected at the school office.**

Leavers Hoodies

The leavers hoodies were ordered last week and should be here very soon. Once they arrive, the children are welcome to wear them in place of their usual school jumper for the remaining few weeks of term.

Class Organisation for September

We are busy looking at which classes our teachers and teaching assistants will be teaching in September and we will share this information with you in the coming weeks. We will have a 'move up' transition day on Monday 11th July for children to get to know their new teacher. Children will begin and end their day in their current class so children will enter school in their usual way.

We are also **reorganising classes for September** to ensure all classes have a mix of abilities, needs and personalities. Current teachers will look at their year group as a whole and make a new A and B class in each year group. We have looked at the advantages and disadvantages of doing this but really feel that this will have many benefits and is really needed in all year groups. Teachers will ensure that all children are moving into a class with some friends. Our staff know the children really well and will take a lot of things into consideration when deciding on classes- please trust us.

**Get excited for
NEW CLASSES!**

Sports Day

We are delighted to announce that on **12th July**, we will be hosting our annual Sports Day for Key Stages 1 & 2 (Nursery and Reception will not be involved but will complete their own sports activities in class) and we encourage parents/carers to attend.

Due to the size of our school, we have split the day into two events with years 1,2 and 3 in the morning and 4,5 and 6 in the afternoon.

The event will consist of traditional races and a carousel of various sport-based activities.

Further information to follow but put the date on your calendar!

After-School Clubs

New Clubs

Monday: Girls Football - Year 4,5 & 6 - Coach - until we break up.

Tuesday: Football - Years 4 & 5 - Mr Rippon & Mr Bloomfield - until we break up.

Continuing Clubs

Puzzle Club, Fun Forest, Futsal Story Arts and Crafts - will continue until Thursday 30th June.

Summer Fayre

We're very excited to announce that we will be holding our School Summer Fayre on Friday 8th July! This will take place after school and the aim is to raise money for our school PTA. The PTA have a vision to further enhance the opportunities and experiences our children have outside of the usual curriculum and we need help from you! We are looking for donations of bottles, bath sets, sweets, chocolate, teddy bears and bric-a-brac for our tombola and raffles. If you have anything you would like to donate, please send it into school with your child on or before Monday 4th July.

If you are or know of any businesses that would be willing to donate a more significant prize for our raffle we would also be extremely grateful. In addition to this, if you would like to rent a stall at our fayre, we're interested in hearing from you. Please contact school to speak to our Year 5 teacher, Miss Kayleigh Bell, regarding larger donations and renting a stall.

Diversity Week

At Lingey House, we are proud of the wide range of diverse pupils and staff we have in our community. As a school we will be participating in School Diversity Week from Monday 20th June. On Friday 24th June, we will be celebrating

Rainbow Friday and invite the children to wear colourful clothes for the day in place of their uniforms. If at all possible, we are asking for a donation of £1 to help purchase diverse books for our school library.

As part of our School Diversity Week celebrations, we would love to see where you can find a rainbow. Take a photograph of rainbow colours that you can see in our community. It could be flowers, sweets or anything else and then send it on to your teacher on SeeSaw. We will be sharing some of our favourites on Facebook.

Our scientists in Year 2 have been celebrating 'Healthy Eating Week' this week during their science lessons. They talked about eating a well-balanced diet and learned all about which foods are full of nutrients for us and which are not so nutritious, using the 'eat well plate'.

Afterwards, they discussed how they could eat a balanced meal for breakfast, lunch and dinner. Our nutritionists then used the traffic light RDA, along with their scientific understanding, to justify where a particular food would belong on the 'eat well plate'. As they worked, they even enjoyed a healthy snack!

Let's Celebrate!

Attendance

Each week, the class with the best attendance will have an extra 10 minutes of playtime. If any class has 100% attendance, they will have an ice cream playtime!
