

Lingey House Primary and Nursery School

Newsletter 15 - 21st January 2022

Dear Parents/Carers,

Here we are at the end of another busy week in school. I have had lots of visitors to my reward shop this week for collecting 25 house tokens- I think I'll need to buy more stock at the weekend! It's lovely to see the children so excited about their hard work and kindness being rewarded.

Don't forget, if you have any issues or questions, don't hesitate to contact your child's teacher. Sometimes a quick chat can really put your mind at rest.

Best wishes, Mrs Wilkinson.

Online Safety

According to research:

- Over half of 11-16 year olds have seen explicit material online. (NSPCC)
- One in ten children aged 8 -11 who go online said they had seen something nasty or worrying online. (Ofcom)
- One in 5 children said that they had never told anyone the worst thing that had happened to them online. (LGfL)

What sort of inappropriate content might my child see?

Inappropriate content includes information or images that upset your child, material that's directed at adults, inaccurate information or information that might lead or tempt your child into unlawful or dangerous behaviour. This could be:

- Pornographic material
- Content containing swearing
- Sites that encourage vandalism, crime, terrorism, racism, eating disorders, even suicide
- Pictures, videos or games which show images of violence or cruelty to other people or animals
- Gambling sites
- Unmoderated chat rooms - where there's no one supervising the conversation and barring unsuitable comments.
- Sexism or sites that portray females in very traditional roles that do not reflect contemporary values and expectations

Please be mindful what your children are seeing online and on TV and check you have parental controls set- let's try and keep our children 'little' for longer.

If you need any support with this, please contact Hannah our family support worker.

A Big Thank You!

Thank you to the Cowlard family for donating this wonderful sports equipment to school. Mr Cowlard won a competition for a football training set. He has kindly donated it to school, so that lots of our children can benefit from it.

Bullying

We take issues of bullying very seriously in school and urge you to contact us if you think your child is being bullied. We will do whatever we can to sort the problem as we want all children to be happy and enjoy coming to school.

Some problems can be sorted out straight away, but other issues take longer to solve as they involve long-term work with a child to help them react differently to situations. This could include anger management work, counselling, mental health support, nurture sessions and many more.

Please rest assured that if you have told us about bullying, we will be doing something about it! Please contact your child's teacher, Hannah or myself (Mrs Wilkinson) if you'd like to discuss any issues.

There are still places available in some of our after school clubs- please contact the office by telephone or email lingeypri@lincs.gov.uk to book a place for your child.
