Coby

Into the world on 10th March.

Mammy and baby are doing well. I'm sure you will join me in wishing them huge congratulations and lots of love and happiness!

A huge congratulations to Miss Smith and Miss Maddison who are both expecting a baby. Miss Smith will go on maternity leave at the end of June and Miss Maddison will start her maternity leave at the end of term.

Year 6 Residential

Year 6 had a fantastic time on their residential trip to London! On the first day, they took the train from Newcastle to Kings Cross.

After dropping their bags at the accommodation, they visited the Shrek Adventure and on to Bella Italia for tea. On the way to the theatre, they enjoyed a street performance in Covent Garden and loved the show 'The Lion King'.

Day two, was another busy one where they visited the Tower of London, took a boat along the river, enjoyed views over the city on the London Eye and had a stop off at Buckingham Palace. All you can eat pizza buffet was the perfect way to refuel before going back to our accommodation.

On the final day, they visited the Science Museum then took the train back to Newcastle. The half term holiday was a perfect way to recover from all the walking!

Check out the school's Facebook page for more photographs and videos of the trip.

Ducks Ducks and more Ducks

Now we are into the new term, we have some great news!!

The ducks are staying long term and over the half term, our fantastic 'QUACK SHACK' has been built! Thank you to 'D.O.H Construction' for kindly building it for our school.

We hope you are as excited as we are to welcome the ducks back into the Lingey House Family, where they have their own place to call home. Please watch out over the next few weeks/months to see our duck home develop.

Updated photos of our 5 friends: Mick, Sparkles, Rainbow, Bob and Fluffy. They are currently 5 weeks old and growing day by day. We now know, that they are Runner Ducks, and we have 2 male and 3 female.

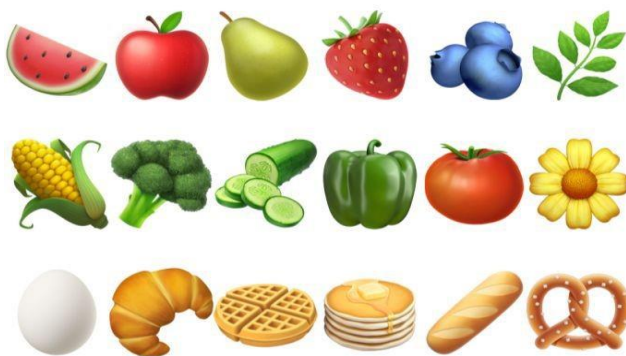

We need some help... every day/week, we are going to get the children to feed the ducks! We need fruit/veg and other foods. Please see below for some ideas, if you are unsure, please speak to a member of staff and we will help you.

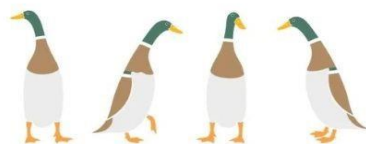

We are wanting the children to be involved in preparing food for their pet ducks daily before taking it out to feed them.

At home, if any of the following items are going out of date or not being used each week, we would be really appreciative to take them!

**The ducks love
fruit,
vegetables,
daisys, berries,
wheat, cereals,
hard boiled
eggs, lettuce,
seeds, fresh
herbs,
tinned/frozen
corn, tomatoes!
They love
everything!**

EYFS Update

Nursery

Before half term, Nursery were loving watching our ducks grow and change shape. We discussed what has changed with the ducks, the children were great at understanding that the features are growing and changing and why this happens! We have also looked at lots of different types of ducks and predicted what our 5 ducklings are going to look like. The children were becoming very confident in handling the ducks even with them being big.
